TECHNICAL DATASHEET

Code	VER-MAT32100
Brief Description	
Type	Universal
Color	Blue
Suitable	To absorb oily substances, coolants, solvents and water
Country of origin	US
Absorption	39.7 L
Dimensions outer	30 m x 81 cm
Package	Bag of 1 piece

Description

Adhesive-backed floor mat stays exactly where you put it without slipping, curling or tipping to prevent slips, trips and falls in workplaces and around machinery. Patented adhesive sticks to the floor with a super-strong grip but removes easily for quick replacements. It reduces cleaning time to make your facility more efficient. Grippy Mat will stick to all common floor coverings: concrete, vinyl tile, ceramic tile, quarry tile and linoleum. Strong top layer of spunbond with sturdy zigzag stitching that resists both foot traffic and the passage of light equipment with wheels as well as heavy equipment. Eight layers of thin polypropylene fibre safely absorb spills, drips and spray applications of oils, coolants, solvents, and water. Traps oil, grease, and dirt to prevent them from being carried around. The tightly sealed backing prevents the transfer of absorbed liquid to the floor.
